

Sponsorship Package

MISSION

Dedicated to the promotion of agriculture and its contributions for the betterment of the community and surrounding areas

VISION

To facilitate agricultural awareness through year-round entertainment, education, and competition activities

To be successful, the Association will integrate rural and urban talents and strive to maintain relevancy in all areas for the changing needs of our community.

Funds will be raised to meet these goals.

The Prince Albert Exhibition Association continues to be a progressive and well-respected Agricultural Society. Established in 1883, we are the oldest operating Agricultural Society in the province.

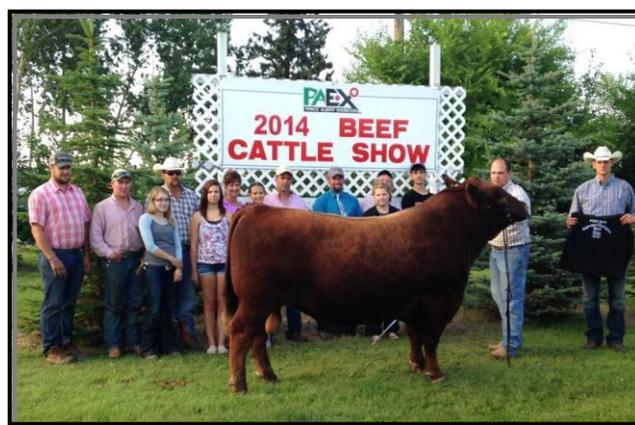

Being a non-profit organization, we cannot survive without forming mutually beneficial partnerships with local and area businesses. It is through these partnerships and the support of volunteers that the Exhibition Association can continue to deliver and host a variety of quality programs and showcases. This incredible support has been instrumental in helping the Association gain provincial and national recognition for many of its events. As such, the Exhibition Association is contacting existing and prospective partners in an effort to identify the most positive, beneficial, and business-friendly method of securing continued sponsorship.

The upcoming years look to be exciting times, with new shows, projects, and events being planned and initiated. Through a positive and innovative approach, it is reasonable to expect that in excess of 120,000 people will visit the grounds within the next twelve months. This estimate includes businesses and people from across the country.

New programs will allow us to expand the total entertainment/business package offered at the Exhibition, and, in turn, supply Prince Albert and area partners with increased advertising exposure and a growing client base.

Should you wish to become involved with the Exhibition Association through sponsorship, please read the following information and return the completed forms to our office.

Thank you for taking the time to review this proposal. I am confident that, should you decide to support the Exhibition Association and its programs, you will be entering into a successful partnership that will continue to be productive well into the future.

SPONSORSHIP OUTLINE

Sponsorship of the Prince Albert Exhibition Association is generally made through two types of donations:

- ❖ **Monetary:** A cash donation that can be applied to the Association's overall operation or to a specific event
- ❖ **In-Kind:** A donation of required materials, equipment, and/or services

Sponsors will receive acknowledgment through signage and on-going advertising, utilizing the broadest range of media outlets, including, but not limited to, television, newspaper, magazines, pamphlets, and internet web sites. Sponsor acknowledgment and benefits vary with each of the six levels of sponsorship.

Please review this information to determine which sponsorship option is right for you.

**Thank you for taking the time to
consider our sponsorship proposal.**
